

NEMBA Trail Heroes

NEMBA is fortunate to have so many riders who give so much back to the sport of mountain biking. Our volunteers donate thousands of hours each year to take care of the trails we ride and to fulfill NEMBA's mission to promote the best that the sport of mountain biking has to offer.

Out of the many hundreds who donate their time and energy at our events, there are a handful who rise to the top — these truly are NEMBA's Trail Heroes. These individuals take on trail stewardship project, organize and officiate our rides, and help lead our chapters to accomplish our mission.

We would like to take the opportunity to thank them publically and acknowledge them as NEMBA Trail Heroes. If you happen to meet them on the trails, please give them a nod of your helmet.
